Incident#: CR15-4958

Major Injury Collision

SUNNYVALE, Calif. - On 7/13/15 at approximately 2157 hours, the Sunnyvale Department of Public Safety Police and Fire personnel responded to the intersection of El Camino Real and Henderson Ave on a reported major injury collision between a motor vehicle and a juvenile bicyclist. The bicyclist sustained grave injuries as a result of the collision and was transported by ambulance to Valley Medical Center Hospital where he remains in critical condition.

The driver of the involved vehicle stopped immediately after the collision and has cooperated fully with the investigation. It does not appear that alcohol or drugs were a factor.

The collision is currently under investigation by the Sunnyvale DPS Major Accident Investigation Team (MAIT). The preliminary investigation indicates that the bicyclist may have crossed the intersection against the red light. Any witnesses to the traffic collision are asked to contact MAIT Investigator Steve Cronin at (408) 730-7109.
